

LA FLEUR® SKIN CARE SYSTEMS

La Fleur Skin Care Intl. is a division of Advanced Biomedical Technologies long recognized as the industry leader in both development and manufacture of sophisticated computerized tissue regulated micro-current instruments. For more than 20 years we have dominated this exciting new field of energy medicine.

La Fleur has spent several years developing an entire skin care line that exceeds even our high standards of product performance. This truly exceptional quality is reflected in our entire Reparer Skin Care Collection.

We are completely confident that you will find this entire line to be your first choice in quality skin care.

LA FLEUR®

Réparer

New from LA FLEUR®
Skin Care Collection

Combining health and beauty as one of today's ultimate concerns comes a perfect healthy aging skin care line, the **La Fleur® Réparer Skin Care Collection**.

La Fleur Skin Care International stands alone by using only the most exotic herbal and organic ingredients to create **a pharmaceutical grade quality product line with no chemicals, no additives, no synthetic vitamins and only trace amounts of preservatives.**

Get your vitamins and nutrients directly from the source. The plant life from which these ingredients are extracted is grown all over the world in rich soil with the highest mineral counts. This dramatically increases potency & purity values when harvesting the nutrients, and helps eliminate harmful by-products.

What really distinguishes La Fleur from other products is the sophisticated process of molecule sizing, developed exclusively for this line. The result is maximum tissue penetration and absorption.

Where nature and technology blend

Moisturizers

Miraculous Collagen

A sophisticated formula which helps to increase collagen production. It hydrates and supplies vital nutrients to the cells, repairs sun damage, minimizing wrinkles and the reduction of scarring. Additional benefits include the reduction of toxins, improved circulation, and diminishing effects of dark circles, brown spots and discoloration.

Chi Crème

Holds in energy longer after a Réparer treatment, balancing the Chi. This very moist crème re-hydrates without being oily or greasy. Great for applying under makeup for normal, dry, youthful or de-hydrated acne skin types.

Ultimate Skin Booster

This exotic array of oils, aloe vera and hyaluronic acid re-hydrates the skin making it feel smooth and glowing.

Cell Renewal Crème

A bouquet of oils with green tea and sea vegetation. It's perfect for aging, dehydrated, normal skin or as a preventative for youthful skin.

Healthy Aging Crème

A unique light blend of sea vegetation and plant oils that promote intensive cell renewal. By penetrating through the cell walls, it fights lipid peroxidation and scavenges light induced free radicals, as well as preventing photo aging.

It works while sleeping to improve hydration and the skins ability to defend itself. Ideal for dry, dehydrated, sun damaged, and aged skin as well as a preventative for youthful skin.

Re-Hydration Crème

This exotic blend of oils, extracts, colostrum, bio-flavonoids and sea vegetation is ideal for day use under makeup, or an evening night crème. It deeply re-hydrates and balances moisture while improving texture and elasticity types.

Repair Cremes

Cellulite Algae Crème

A highly active sea vegetation, antioxidant and essential oil treatment crème used in conjunction with a cellulite, firming, water retention and maintenance program. It is non greasy and deeply hydrating.

Healing Crème

This calming, soothing and healing essential oil blended crème promotes rapid repair for any wound or surgical cut, acne and for acne scarring.

Ultimate Eye Booster

With exotic Kukui Oil, Green Tea Extract, Arnica Oil and many other rich oils, the under eye and lid area are deeply nourished and look brighter.

De-Tox Crème

A sophisticated blend of unusual oils, which aid in reducing symptoms of arthritis. Recommended after an organ detoxification.

Sunburn Relief Crème

With Aloe Vera, Comfrey Oil Lavenda and more, this gentle scented non greasy crème relives the discomfort of sunburn and promotes rapid healing.

De-Swell & Bruise Crème

Very effective in decreasing inflammation, bruising and muscle trauma. The Arnica and multiple selections of essential oils quickly speed up the body's natural healing abilities.

Redness Crème

A highly active plant based treatment crème with detoxifying oils and vitamins that help reduce redness, broken capillaries, spider veins and control rosacea by releasing toxins. It is non-greasy, hydrating and soothing to the skin.

Strong Muscle Crème

This active blend of oils helps build the ATP in sagging or atrophy muscles. It is great for eyebrow and cheekbone muscles or on the legs and arms, especially when not exercising regularly or injured.

Where nature and technology blend

Essential Oils

Cellulite Firming Oil

This flower garden of essential oils & vitamins helps eliminate toxins, firm skin with lack of tone and water retention, and moisturizes and nourishes dry, dehydrated skin. It is a key component for enhancing cellulite elimination, skin firming, loss of elasticity and water retention elimination programs, as well as their maintenance

Healing Detox Serum

An active blend of unadulterated essential oils in a vegetable carrier base. This natural antiseptic, normalizes cellular breathing and metabolism, and protects from free radicals. It regulates the sebaceous glands, controlling breakouts, increases skins vitality, oxidizes waste products, detoxifies the skin and relieves stress.

Where nature and technology blend

Heavenly Aroma Oil

A mixed bouquet of active plant based treatment oils for day and night. It is non greasy, hydrating and can be used as a moisturizer. Use it as your natural "signature scent" instead of a perfume.

Heating Oil Kit

Four oil combinations, balances moisture and improves elasticity for the face and body.

Toning Oil Kit

Detoxifying and toning, this mixture is rich in emollient properties, soothing puffy, wrinkled dry skin.

Cleansers & Toners

Rich Gel Cleanser

An active plant based gel face cleanser for all skin types. Contains an array of calming and nourishing extracts and clays to keep skin from dehydrating. It gently removes dead skin cells and keeps pores clean. The mild refreshing scent is ideal for men and women.

Exotic Body Wash

Re-hydrates and balances skin with calming and purifying essential oils, and gently exfoliates dead skin cells, leaving skin purely refreshed. Can be used on any skin type.

Botanical Toner

This exotic combination of botanical oils and Aloe Vera deeply hydrates, calms the skin and assists in penetrating other moisturizers and serums.

Masks

Healing Earth Mask

This purifying mixture of vegetable and soy proteins, clay, Aloe Vera and exotic extracts are transported to the cells to improve and calm blemishes, sebaceous cysts and severe skin damage. For optimum effectiveness add 4 Healing Oils, which balance moisture, improve texture and elasticity.

Clay Toning Mask

This blend of clay, vegetable, soy proteins and extracts, transports directly to the cells. It detoxifies, tones and aids in the absorption of nutrients while removing dead skin cells. Additionally, it reduces cellulite toxins, fluids and is toning for the body. (toning for the body?)

Regenerating Mask

Sophisticated colostrum, vegetable and soy protein base that regenerates skin cells, exfoliates, eliminates toxins, and improves elasticity and hydration. The multi-protein amino acid and herb mask penetrates facial tissue and supplies vital nutrients and amino acids. It is a key component for enhancing your skin care regime.

Healing Earth Mask Kit

The mask is a purifying mixture of vegetable and soy proteins, clay, Aloe Vera and exotic extracts. It will improve and calm blemishes, sebaceous cysts and severe skin damage. The oils are detoxifying mixtures that tone and tighten the skin, strengthening capillaries, encourage cell regeneration and stimulate circulation. The cleanser is an active plant based gel for all skin types containing an array of calming and nourishing extracts and clays to keep the skin from dehydrating while gently removing dead skin cells and keeping pores clean.

Where nature and technology blend

Clay Toning Mask Kit

This mask is a blend of clay, vegetable and soy proteins and extracts that transport directly to the cells benefits such as detoxifying, toning and aiding in the absorption of nutrients while removing dead skin cells. Additionally, it reduces cellulite toxins, fluids and is toning for the body. The oils are natural antiseptic essentials oils, which are gentle to the skin. These oils penetrate and tone, improving the texture of the skin. The cleanser is an active plant based gel for all skin types containing an array of calming and nourishing extracts and clays to keep the skin from dehydrating while gently removing dead skin cells and keeping pores clean.

Regenerating Mask Kit

The mask is a sophisticated colostrum, vegetable and soy protein base that regenerates skin cells, exfoliates, eliminates toxins, and improves elasticity and hydration. The multi-protein amino acid and herb mask penetrates facial tissue and supplies vital nutrients and amino acids. The cleanser is an active plant based gel for all skin types containing an array of calming and nourishing extracts and clays to keep the skin from dehydrating while gently removing dead skin cells and keeping pores clean. The Re-Hydration Crème is an exotic blend of oils and extracts, colostrums, bio-flavonoids and sea vegetation ideal for day use under makeup or an evening night cream, deeply re-hydrating and balancing moisture while improving texture and elasticity.
